

Lift Jack

JACK-LIFT-SHIP

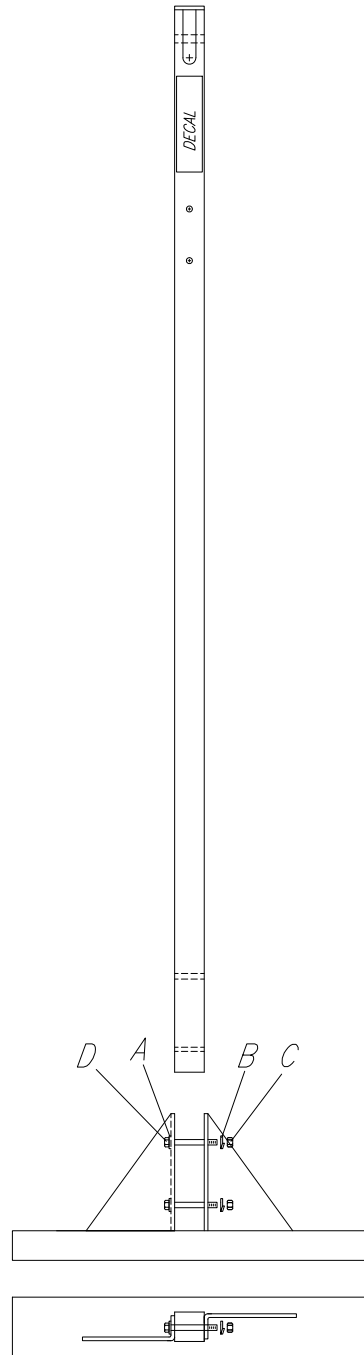

This new lift jack improves packaging and reduces shipping costs. With the provided fasteners, you will need to attach the base of the jack to the upright.

- 2 – 3/8" x 3" Bolts
- 2 – 3/8" Flat Washers
- 2 – 3/8" Lock Washers
- 2 – 3/8" Brass Nuts

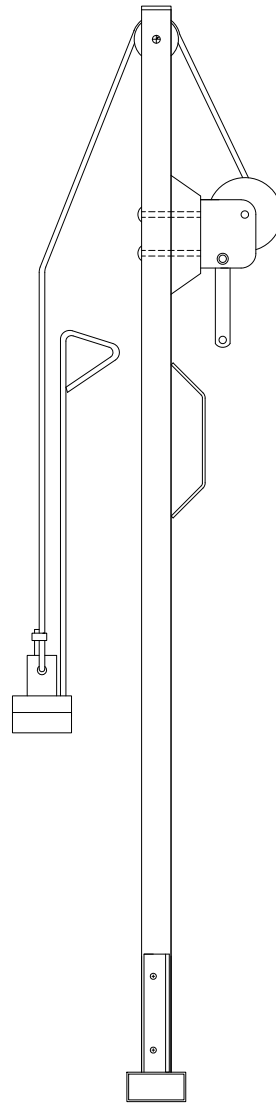

See the back of this page for assembly diagram.
